Dear Professor Sobol!

We are pleased to share the results of the lecturer selection for the Winter Semester 2026/2027 within our joint TANDEM-UA-DE project.

Following the selection process, lecturers from the 6 Ukrainian partner universities have been appointed to teach the new joint modules during the upcoming semester.

From Volodymyr Vynnychenko Central Ukrainian State University, the following lecturers have been selected:

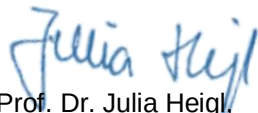

- Prof. Dr. Oleksandr Levchenko (course Project Management and Agile Methods);
- PhD. Mykola Verezubenko (German language A2.2 course);
- PhD. Iryna Piankovska (German language A1 course).

We warmly congratulate them on their selection and sincerely appreciate their willingness to contribute to the further development of the project.

The courses are scheduled to begin in October 2026, and we are confident that this semester will further strengthen our German-Ukrainian academic cooperation.

We sincerely thank your university for its continued commitment, support, and excellent collaboration. We look forward to another successful semester together.

Yours sincerely,
